

MCW December Newsletter

Vol.36/Issue 8/December 2010

You can always count on Motor Cities Winnies to enjoy a great party. Forty four members (and one miniature one) came in holiday garb to enjoy a buffet dinner at The Lodge in Keego Harbor. The tables were decorated with chocolate suckers, thanks to Judy Hennells and Patsy McCowan, and Hersey kisses and candy canes, thanks to Melinda Dunn. It was so great talking to everyone – you'd never know our last outing was just last month. Butch and Becky Moore sent us happy holiday greetings.

We collected hats, mittens and scarves again this year. They are being donated to Becky's Wish who then distributes them to three charities, Haven, Care House and Lighthouse. The grand total was: 70 hats, 16 scarves, 90 mittens and gloves, and 5 sox. Thank you to all who contributed!

We didn't have a meeting, but Bob Dunn had a few words to say. He introduced our new members who joined in the last year. They included the Barnes, Porters, Bourdeaus and Romanchuks. Peter and Jaki Romanchuk have not made it to any outings yet, but Bob welcomed them and we hope to see them next year. (We really are a nice group.) Bob thanked us all for being such a great group. The more he repeats it, the more we live up to his praise. Good tactic Bob. It sounded like a farewell speech, especially when he said we could start picking on Ron Johnson. Bob and Melinda have worked like crazy for this club and we greatly appreciate it. They got many new people involved in MCW and WWW, (although filling the WWW secretary position may be questionable) and supported them completely. Bob's main goal for the club was to have "fun" and he succeeded.

You are in our thoughts and prayers

Marian Van Houten had knee replacement surgery on 11/22 in Arizona.

Barb Porter had hip replacement surgery on 11/22.

Linda Turri is home and appreciates all your get well wishes. She has a long painful way to go. We are still thinking of you Linda.

We hope you all feel 100% better soon!

Ted Emerson and Ron Johnson are healed! They were both smiling and looked great at the Christmas party. After recent health problems Marion Marzion has recovered and looked wonderful too.

THIS AND THAT

On a personal note, we would like to thank everyone for the concern they showed us for Bob's mom. It took Bob all of Friday to get his mom to go to the hospital and to get her settled into a room. She had multiple serious problems. He spent all day Saturday with her, but we took time out to come to the Christmas Party. We came late and left early, but you guys really lifted our spirits. It really meant a lot to Bob to think of motor homes instead of hospitals. Thank you for your prayers.

Bev Garcia

Please enjoy yourselves at Christmas and welcoming in the New Year. If you go south, I hope the weather is warm. If you stay home, hire someone to shovel for you. If you have anything you would like to send out to the club, just email me or call. See you in 2011!
